Registration and Cancellation Terms and Conditions for Field to Plate Continuing Education Workshops

Please read before you register for our workshops. By registering for a Field to Plate professional education workshop, we will assume that you have familiarized yourself with our payment and cancellation policy and fully accept its terms.

Payment, Cancellation and Inclement Weather Policy

Due to popularity of our workshops, we follow a strict cancellation policy, which we do not deviate from. Much of the groundwork for our programs is laid out a year in advance. This level of planning does not allow us to make last minute adjustments to our numbers, logistics etc. We certainly understand that life takes twists and turns, including emergencies, illnesses and the need to take care of, and be with family. While we empathize with these unpredictable circumstances, we feel that it is necessary to follow a strict policy to avoid any misunderstandings should unforeseen events arise for you.

One-Day Workshops

Full payment is due at the time of registration. For cancellations 30 days or more prior to the workshop, we will refund your payment minus a \$45 administration fee. Cancellations for any reasons less than 30 days from the date of the workshop will result in forfeiture of your registration fee. a. We will send you all workshop materials. b. We will allow you to credit your workshop registration fee toward registration for a Field to Plate workshop within one year of the date of the workshop you had originally planned to attend. If you cancel less than 30 days from the date of the workshop and you find someone to fill your place, we will refund your registration fee once your replacement has paid in full.

Multi-day Workshops

These terms apply to our multi-day workshops. Multi-day is defined as workshops with duration of more than one day. Up to and including 60 days prior to a multi day workshop, we will refund you registration fee minus a \$75 administration fee. We do not process refunds for any reason, less than 60 days prior to a multi day workshop. If you cancel less than 60 days from the date of the workshop and you find someone to fill your place, we will refund your registration fee once your replacement has paid in full. Field to Plate offers a deposit option for our multi day workshops. This deposit allows you to reserve a space at a workshop for \$200. The balance of your workshop registration fee is due 45 days prior to the workshop. You will receive an invoice from Field to Plate notifying you to pay the balance due sufficiently prior to this deadline. Should we not receive payment from you 45 days prior to the workshop, for any reason, you will forfeit your deposit and we will immediately offer your space to another participant on the wait list.

Event Cancellation and Inclement Weather Policy

We reserve the right to reschedule or reconfigure the format of our workshops should weather conditions or other unforeseen circumstances deem this necessary. While we do not anticipate this to occur, should a situation arise, you will be notified significantly in advance. Should inclement weather result in the cancellation and rescheduling of a workshop, your registration fee will naturally apply to the rescheduled workshop date. Should you be unable to attend the rescheduled date, we will issue you a credit to be applied to a future Field to Plate workshop of your choice.
